# System Information

Overview

The System Information page provides administrators with diagnostic and system information about the instance. It can be accessed by navigation to **Administration** > **Admin Console** > **System Information**.

Export System Information

When logging a support request you may be asked to send system information. To do this, simply click the **Export** button which will create an XML file of the page contents for you to attach to your request.

System Information

Application Version:	7.0
Build:	20140225
