Summary

In order to set up an Event Chart you will need:

1. Create a report with chart display
   a. Select a field to use as the **Horizontal Axis**
   b. Select a field to use as the **Vertical Axis**
   c. Select field(s) to use as the **Event(s)**
2. Create your chart, selecting **Event** as the type under the **Special Purpose** heading
3. Provide the **Horizontal Axis**, **Vertical Axis**, and **Event** options
4. Customise the Chart as required
5. Proceed to the **Output** step
6. **Save** your report
